

Discontinued product notification: OEPL series

October 28th 2014

Dear Valued Customer,

Due to the introduction of [RT product range](#), production of [OEPL series](#) projection optics will be *discontinued*. We strongly encourage you to replace OEPL series with corresponding models that you can find in the [RT product range](#) of carefully-selected machine vision products that complement our official, "made in Opto" range.

In order to assist you and allow for future planning, we will offer a last-time buy opportunity of our OEPL series to support your needs.

Production will be discontinued on **June 30th 2015** (unless mutually agreed in advance with a supply agreement): after this date, OEPL series will no longer be produced¹. Contact our sales engineers ahead of such date to discuss about your specific needs.

Demo units will be available until **December 10th 2014**: after this date, demo units will no longer be shipped.

While we regret any inconvenience this announcement may cause, we appreciate and value our business relationship and we look forward to help you solve your machine vision challenges with our leading optical solutions.

All enquires and requests should be directed through the normal sales channels. Please [contact](#) our sales engineers to discuss about your specific needs.

List of discontinued models:

Discontinued part number	Focal length	Suggested models for replacement *	
		Megapixel	5-Megapixel
OEPL-18	35	RT-M3514-MP	RT-M3520-MPW2
OEPL-25	25	RT-M2514-MP2	RT-M2518-MPW2
OEPL-38	16	RT-M1614-MP2	RT-M1620-MPW2
OEPL-50	12	RT-M1214-MP2	

* Please check product dimensions available online to ensure mechanical compatibility

¹ After this date the availability of these products is subject to remaining stock.
